Can you believe it's been a year since our first Fall Family Festival? Well, it's back for 2010 and promises to be a night of fun, great food, and excitement for the whole family!

In many places around the world, fall is a season of changing colors. Unfortunately, we don't see the grandeur of fall colors in Hawai'i. We are surrounded by green all year long, but that does not mean we have to miss out. At HCC, we're going to use that to our advantage and showcase our "green" at the Fall Family Festival, and we hope you'll join us in our efforts to keep our earth beautiful.

Make your reservations to attend our 2nd annual **Fall Family Festival, Dinner & B-I-N-G-O** by calling 441-9420!

Dinner Buffet opens at 5:30 pm
