

For Your Palate

Honolulu Country Club/ 808-441-9400

Congratulations!

The question has been popped and you're ready to spend the rest of your life with the person of your dreams. You're engaged and now it's time to plan for the Big Day! So much to think about and do! Don't fret...Honolulu Country Club is prepared to and here to help you create the perfect Wedding Experience.

First, for the Big Day, you might choose an indoor ceremony exchanging vows beneath the dancing lights of a stained glass ceiling or, if you prefer, outdoors beneath Hawai'i's gorgeous blue skies and sunshine. Following the ceremony, we can accommodate your reception of 10-600 well-wishing guests, depending on the type of event you choose. Everything is an option: from breakfast, a luncheon, hors d'ouvres, or a dinner reception. You could select a plated event or a buffet.

Secondly, *The Restaurant: Fine Dining & Sushi Bar*, is an elegant and intimate site for your rehearsal dinner. Your family and wedding party members will enjoy the private atmosphere and the delicious food. You will be able to reminisce, plan, or just relax in the company of family and friends.

Not to be forgotten, the Club is the perfect place to hold a Bridal Shower for the bride-to-be. You might like to have it at *The Restaurant* or in a banquet room. In addition, keeping up with current trends, a Wedding Shower for the happy couple could be held in the banquet rooms or at poolside. Whatever your wedding plans, Honolulu Country Club is able to meet your needs and desires. Call us or go to honolulucountryclub.com for more information and menus.

beat the heat

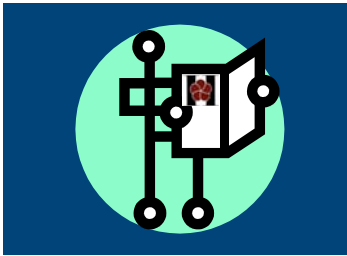

If you've spent some time outside during the last few weeks you've undoubtedly noticed the record-breaking heat. It's difficult to be outdoors for any length of time and not feel the trickle of perspiration running down your body. If you've been indoors without air conditioning or fans, the heat is even more intense.

It's summer and with the climate change, the weather promises to be hot. Great conditions for the beach and water activities, but not so for

those planning a party and looking at the prospect of slaving over a hot stove or oven.

Enjoy your summer vacation and let us take care of the cooking. Our banquet@home catering menu has a bountiful selection of items to suit your entertaining needs. Whether it be for a celebration @ home, a business event @ work, or a picnic or tailgating @ the park or stadium, Honolulu Country Club has everything under control. We can cater your entire event or supplement your delicious home-cooking.

The complete menu can be found online. We look forward to doing the cooking for you!

"Grilled & Chilled"

We are so glad you joined us for our annual Father's Day Dinner. Here are some candid photos of our honored fathers and their families. A complete album of all photos can be found on our website (honolulucountryclub.com) under the "For Your Palate" link. Look for 'Photo Gallery' in the left navigation bar and then go to the 'Father's Day 2009' album.

Happy Father's Day to Our Role Models!
